

FULLERTON CLUB – A COMMITMENT TO SAFETY

UPDATED: JUNE 17, 2020

DEAR FULLERTON CLUB MEMBERS,

MEMBER EXPERIENCE:

- Fullerton Club will promote social distancing throughout the gym with signage, floor decals, and more. This may include temporary closures of amenities that can not be used under social distancing guidelines, and decommissioning select cardio and strength equipment throughout the gym to ensure proper spacing.
- Touch free Check-ins. Reduce touch points throughout the gym where possible.
- Increased hand sanitizing stations and disinfectant wipe stations throughout the gym.
- Touch free temperature screening upon check-in
- Limit capacity based on CDC Guidelines: one person for every 200 sq.
- Masks, face coverings or bandanas are required within the facility. Members are encouraged to wear PPE, in adherence with any city and state mandates. Fullerton Club will have disposable masks, upon request.

STAFF:

- Touch free temperature screening upon start of shift.
- All staff will be trained on re-opening safety measures, and proper nose, cough and sneeze hygiene, based on CDC recommendations.
- PPE, such as masks will be provided, and required in adherence with any city and state mandates.
- All Fullerton staff will be involved with maintaining a clean and sanitized facility.
- Staff will not come to work if they have any symptoms of illness, especially those directly associated with Covid- 19, or if they have come in to contact with anyone exhibiting symptoms.

CLEANING & DISINFECTING:

- Enhanced and increased cleaning and disinfecting protocols during business hours.
- Increased and enhanced deep cleaning after hours using CDC recommended solution, and top-grade disinfectants with electrostatic distribution.

TEMPORARY CHANGES:

- Hours of Operation: 6am to 8pm Monday - Friday, 7am - 4pm Saturday, closed Sunday. This temporary change will give staff more time to deep clean, and disinfect the gym.
- No Group Classes for the first few weeks of re-opening. We will then roll out a new class schedule, before returning to a full class schedule.
- Locker Rooms: Temporary closure of steam room, sauna, Jacuzzi. The following items will be removed: Listerine, Q-Tips, Cotton balls, hair dryers, and all personal care items.
- Water fountains will be closed off. Please bring personal water bottle.
- Temporary changes will be evaluated after a few weeks, to ensure your personal safety.

COVID-19 CODE OF CONDUCT:

(Applies to all members, guests, and employees)

- No one will enter the facility if they have any symptom of illness, especially those directly associated with Covid-19, or if they have come in to contact with anyone exhibiting symptoms.
- Masks, face coverings or bandanas are required within the facility
- Perform regular hand hygiene and cough/sneeze/tissue hygiene, avoiding contact with the eyes, nose, mouth, and face. Use resources such as hand soap, hand sanitizer, and disinfectant wipes provided throughout the gym
- Practice Social Distancing of 6ft in adherence with any local and state mandates, respect the personal space of others, pay attention to floor decals.
- Limit personal items brought to the gym, lock up items in locker, no personal items (i.e. bags/ purses) to be placed on gym floor.
- Limit socializing in the gym, we may suggest stepping outside to the courtyard.

- Sanitize all equipment used, including mobile equipment, with the provided disinfectant wipes BEFORE and AFTER use.
- When you are finished using mobile equipment, put the equipment back in its place.
- Do not leave towels behind on cardio equipment, weight equipment, or on the floor. All towels must be thrown in the hampers located throughout the gym.
- Do not leave any trash behind on cardio equipment or gym floor. All trash must be thrown away in a trash can.
- Take the time to check your space before moving on - did you leave anything behind? Please take the time to leave the space as you found it.
- Bring any concerns/complaints/comments directly to management or email us at info@Fullertonclub.com
